Introducing Starburst Accelerator

Starburst Accelerator supports French A&D start-ups in structuring their business and connecting with critical industry stakeholders

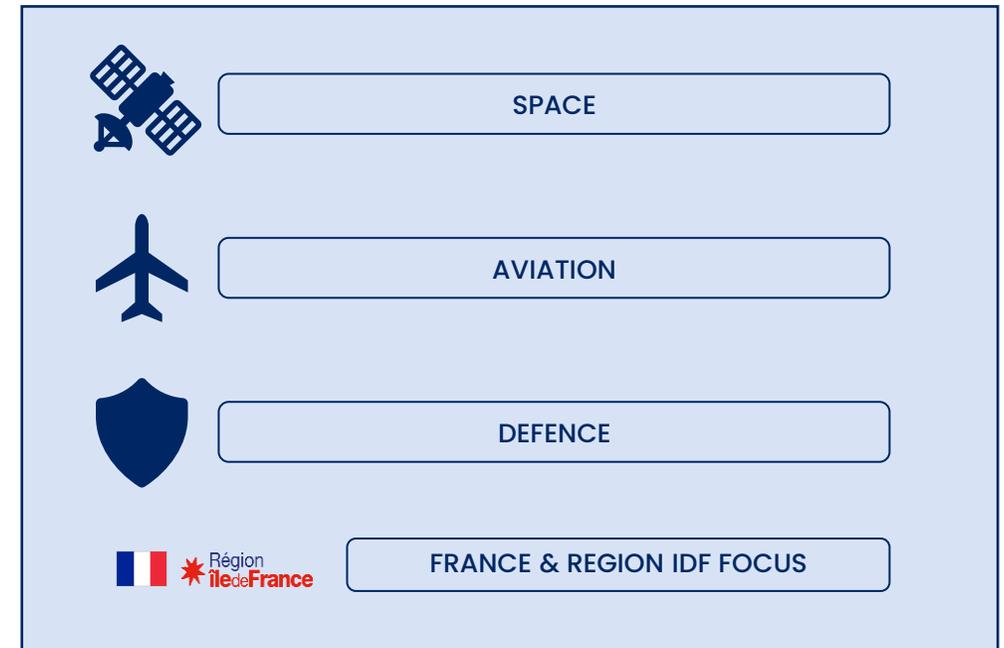

Objectives and differentiation

- Leverage Starburst’s unique network to **accelerate your Aerospace & Defense market entry** in France and Europe
- Benefit from our involvement in **NATO and EU initiatives** to understand key success factors and connect with the right experts
- Tap into Starburst’s business expertise to **sharpen your positioning, strengthen your roadmap, and fast-track fundraising**

Starburst’s Network within the French Ecosystem is composed of 1,500+ startups and 50+ A&D corporates

The program focus

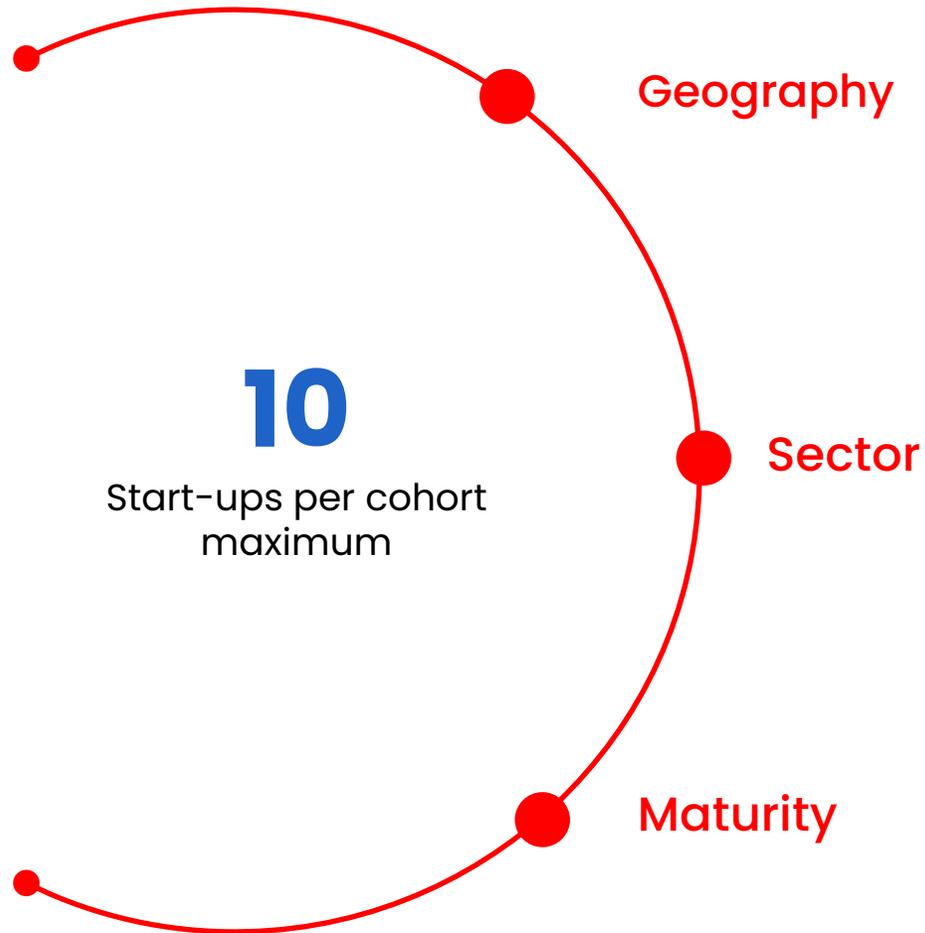

They participated in a previous Starburst program

The program is designed for French A&D start-ups ready to engage with commercial and investment prospects
